

Wadden Sea Board meeting 15/16 June 2017

Welcome in Harlingen

Lively, pleasant, individual and cosy

Anyone who loves a town full of variation with a lively, pleasant, individual and cosy character has found himself the place to be: Harlingen.

Our characteristic port offers a wide range of activities for all ages and interests. Harlingen offers culture and atmosphere and is therefore certainly worth a visit.

In 1234 Harlingen was officially declared a city. With approximately 16.000 inhabitants it gets its exceptional character from over 600 (!) monumental buildings and its location on the coastline of World Heritage Wadden Sea, a unique scenic area of shallow water with an open connection to the North Sea.

Harlingen has a small city centre with everything in walking distance. In the city centre we have some beautiful and hospitable hotels. We have parking space at walking distance of the city centre.
